The top three pairs with the maximum points in each kata will be awarded. The pair with the maximum point/less mistakes will be awarded the gold medal. The couple with the second least points/less mistakes will be awarded the silver medal, and the third – the bronze medal.

## 1.12. POINT SYSTEM

**Each technique and open and closing ceremonies** are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata must consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

### Definition of mistakes:

**Forgotten technique/Major mistake** – score is zero and the total score of the Kata is halved. If the forgotten technique/Major mistake is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.

**Big mistake:** when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

**Medium mistake:** when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

**Small mistake:** imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the correction value a " + " or a " - ".

For every technique without a big mistake, the minimum score has to be 4,5.

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both are placed 3<sup>rd</sup> after the above-mentioned criteria, the Kata will be repeated in order to assign the medal.

## 1.13. FINAL

Till 6 participants direct final.

From 7 and up to 11 participants 1 preliminary and 4 best results to final.

From 12 participants and more 2 preliminaries and 3 best results of each to final.

## 2. JUDGES

### 2.1. LEVEL OF THE JUDGES

The contests will be judged by IJF/EJU or National qualified Kata Judges. Kata rules to be followed are as published by the EJU/IJF (IJF KATA EVALUATION Jan 2025). The Judges will evaluate these Kata based on the official Kodokan Kata standard according and with reference to the official KDK edition of Textbook (official amendment only should be considered if any).

All Judges for Kata Tournament must be registered for this event in the IJF Registration System (JUDOBASE): <http://admin.judobase.org/>

Deadline for JUDOBASE registration is **March 17<sup>th</sup> 2025**.

### 2.2. SYSTEM OF JUDGING

The number of judges is five and they will be positioned on the showmen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the highest score and the lowest score for each technique will be cancelled. The final score of the whole Kata will be the sum of the scores for each technique. A Judge cannot be competitor.

The judges shall always be in their position before the arrival of the couple to the competition area. The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

Any behaviour of Tori or Uke inside the Competition area and the sport hall that is contrary to the spirit of Judo will be considered out of the competition.

### 2.3. DRAW

The competition area has dimensions of or 8 x 8 meters minimum or 10 x 10 meters (maximum) and shall be covered with tatami or similar acceptable material. When more adjoining competition areas are used, a common safety area of 2 meters is necessary.

A strip of visible colour adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the centre of the competition area 6 m apart to indicate the starting position of Tori and Uke. The centre of the competition area shall be indicated with a strip of adhesive tape of the same colour.

## 2.5. INJURY, ILLNESS and ACCIDENT

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped, and the athlete will be assisted by a Doctor out of the competition area, if needed. The competition will continue, and the pair will repeat entirely the Kata after the last pair has performed.

In case another minor injury happens to the same athlete during the second performance of the kata or after a forgotten technique or a major mistake, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking then allows them to participate in the final, the next pair in the pool will participate in the final.

When Tori or Uke is unable to continue to perform the kata because of an injury, illness or accident during the execution of the kata, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking them allows them to participate in the final, the next pair in the pool will participate in the final.
